RE: Letter of Support for South Asia International Expo in Surrey

It is with great pleasure that I write this letter to show my support for the proposed South Asia International Expo. The South Asia International Expo would be an excellent opportunity for Surrey and would no doubt attract visitors from throughout BC, Canada, and the world.

The South Asia International Expo in Surrey would encourage the citizens, arts groups, businesses, government agencies and community agencies to collaborate, connect, and celebrate diversity, entrepreneurship and innovation in Surrey.

Approximately 40% of the population in Surrey is South Asian. It is critical that we recognize and celebrate South Asian culture and how their impact on Surrey has helped to enrich this flourishing, multicultural, vibrant community.

I am proud to show my support for the South Asia International Expo in Surrey. The Expo would be a fitting reflection of the diverse South Asian population in Surrey. I commend those organizing the South Asia International Expo for their vision.

Sincerely,

Stephanie Cadieux MLA
