Dear Alex,

Re: South Asia International Expo in Surrey

Congratulations on your proposal for the South Asia International Expo in Surrey.

Finding ways to create cross-cultural understanding—especially in a radically changing world—can only be encouraged.

As Canada's largest community credit union, Vancity takes seriously its work in helping people and their communities thrive. An international gathering can only serve to further the connections needed to make a diverse community one that is inclusive as well.

We wish you all the best.

Regards,

Tamara Vrooman
President and CEO
